

Exemptions in AMIETE for DipIETE passed students

Qualification Passed	AMIETE(ET)	AMIETE(CS)	AMIETE(IT)
1.DipIETE(ET)	AE 105 (Principles of Electrical Engineering)	AC 103 (Analog & Digital electronics)	AT 103 (Analog & Digital electronics)
	AE111 (Instrumentation & Measurements)		
	AE109 (Control Engineering)		
2.DipIETE(CS)	AE 102 (Computer Concepts & C Programming)	AC 104(C & Data Structure)	AT 104(Data Structures with C & C++)
		AC 106 (Computer Organization)	AT 106 (Computer Organization)
		AC 114 (Software Engineering)	AT 114 (Software Engineering)

NOTE:

1. No exemption is applicable for Lab Examination.
2. The students are required to apply for exemptions through exemption application form. However, Rs400/- fee (towards exemption fee) will be charged. In case the exemption has been granted earlier as per the old scheme and now a student requires exemption as per the new scheme, the exemption granted to him earlier will be cancelled and exemption will be granted as per the revised scheme as given above. The points to be noted is that the student can avail exemption either as per old syllabus or as per new syllabus but not for both.
3. The student will be granted exemption in AE109 (Control Engineering)/AC63/AT63 (Software Engineering) if he/she has passed the said papers in DipIETE.
