ABOUT IETE

The Institution of Electronics and Telecommunication Engineers (IETE) is a leading professional society devoted to the advancement of Electronics, Telecommunications, Computers, Information Technology and other related disciplines. IETE serves its more than 1,25,000 members (individuals, industries/ organizations & students) through its 63 Centres spread all over India including one in Nepal and one Professional Activity Centre in Australia.

Government of India, Ministry of Science and Technology, Department of Scientific & Industrial Research has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and the Institution has also been notified as an Educational Institution of National Eminence by the Government of India.

IETE has been engaged in bringing out publications since 1955 to promote R&D in the field of Electronics, Telecommunications, Computers, Information Technology and related disciplines. At present IETE publishes 3 Journals, i.e IETE Journal of Research (JR), IETE Technical Review (TR) and IETE Journal of Education (JE). IETE Journal of Research is a bi-monthly journal which publishes scientific and technical papers describing original research work or novel product/process development. IETE Technical Review is a bi-monthly journal which publishes state-of-the-art review papers and in-depth tutorial papers on current and futuristic technologies. IETE Journal of Education is a six-monthly journal which provides supplementary resources to students for preparing for their qualifying examinations and broadening their understanding of fundamental concepts and new technologies.

IETE has been playing an instrumental role in the **GOI initiative** for Startup India in the following ways :-

- ◆ Setting up professional training platforms for new Startup.
- ◆ Providing support for Continuing Professional Development of faculty/expert members through our ISF Centers (approx 600) spread across the country.
- ◆ Publishing research (state-of-the-art technology) articles through our technical journals.
- ◆ Providing networks for professionals to meet and discuss latest developments in their field of expertise.
- ◆ Analyzing the Global trends of ICT technologies in an objective manner by taking into account all related techno economic aspects and recommending to the Government of India and relevant regulatory bodies, the appropriate new technologies according to the startup policy of GOI.
- ◆ Providing Startup consultancy.

ABOUT NSUT

Netaji Subhas University of Technology (NSUT) is a seat of higher technical education in India. Prof. Jai Prakash Saini is the Founder Vice-Chancellor of Netaji Subhas University of Technology (NSUT), New Delhi, founded under "The Delhi Netaji Subhas University of Technology Act, 2017 (DELHI ACT 06 of 2018) (As passed by the Legislative Assembly of the National Capital Territory of Delhi on the 10th August, 2017).

Netaji Subhas Institute of Technology (NSIT) came into existence in the year 1997 and has now been upgraded as 'Netaji Subhas University of Technology' (NSUT) in the year 2018. Commencing with a single undergraduate program in the field of Electronics & Communication Engineering under the Faculty of Technology, University of Delhi, NSUT has come a long way by introducing a number of engineering programs in the fields of Computers, Instrumentation & Control, Manufacturing Processes & Automation, Information Technology, Biotechnology and Mechanical Engineering. After acquiring the status of a university, it is at the threshold of providing exhaustive learning in the disciplines of Applied Sciences & Mathematics, Humanities & Social Sciences and Management.

NSUT INCUBATION AND INNOVATION FOUNDATION (NSUT-IIF)

Having its registered office at NSUT, NSUT-IIF was opened to incubate Startups of NSUT students, alumni, faculty of NSUT, any other incubate under the guidelines of Delhi Government at NSUT for two years with seed money/funding from the NSUT-IIF. NSUT-IIF provides a host of support services to startups, organize selection of newer incubates. Some of the startups incubated by NSUT-IIF are Readers Crib, an e-commerce marketplace for renting of books; Alnaurish, Healthy Food Pvt. Ltd.; Triposse, a tech aggregator for bespoke group travel services.

WELCOME TO DELHI

We welcome all Delegates to the National Capital Territory of Delhi (NCT). The NCT covers an area of 1,484 square kilometres. Delhi's population is over 11 million, the second-highest in India while the whole NCT's population is more than 16.8 million. Delhi's urban area is now considered to extend beyond the NCT boundaries and include the neighbouring satellite cities of Faridabad, Gurugram, Ghaziabad and Noida in an area now called Central National Capital Region (CNCR) and has an estimated 2016 population of over 26 million people, making it the world's second-largest urban area. Delhi is the second-wealthiest city in India after Mumbai, with a total private wealth of \$450 billion and is home to 18 billionaires and 23,000 millionaires. The seat of many powerful empires in the past, its long history can be traced in its many carefully-preserved monuments, ancient forts and tombs. Even today, one can have a fascinating glimpse into the past in Old Delhi, with its labyrinth of narrow lanes, old havelis, and colourful bazaars. Rickshaws wind their way through this crowded, bustling capital of the Mughals, where life continues, much as it did hundreds of years ago. It is home to three World Heritage monuments-Qutub Minar, Red Fort and Humayun's Tomb that have survived many centuries, and give an idea of the architectural wonders created by emperors in the past. Central Delhi, with its tree-lined avenues, imposing structures and buildings such as the Rashtrapati Bhavan, Parliament House and India Gate, reflect Delhi's colonial past. A number of museums provide a glimpse into the country's fascinating history.

STARTUP INDIA

Startup India is an initiative of the Government of India. The campaign was first announced by Indian Prime Minister, Shri Narendra Modi during his 15 August 2015 address from the Red Fort, in New Delhi. The action plan of this initiative, is based on three pillars: Simplification and Handholding, Funding Support and Initiatives & Industry-Academia Partnership and Incubation. An additional area of focus relating to this initiative, is to discard restrictive State Government policies with in the domain, such as License Raj, Land Permissions, Foreign Investment Proposals and Environmental Clearances.

CALL FOR PAPERS & CASE STUDIES

Papers detailing original Startup work with high quality, review articles based on new ventures in IT and IoT domain are invited, which will encourage students to venture in Startup activity. The symposium will also have Invited Talks/Key-Note addresses from eminent persons working in this field which will be of immense value to all. **Some of the topics for papers are**

- Cyber Law, Information forensics & Security
- Cyber Law Entrepreneurs.
- Quantum Computing
- Machine Learning
- Magic Pin
- IoT Security
- IoT Architecture & Applications
- Big Data.
- Decision Making & A.I.

The Write up on case study should not be more than 3000 words. Author should send only softcopy of manuscript to Dr Anand Gupta, Asst Prof NSUT, Sector 3, Dwarka, New Delhi - 110 078

E-mail: omaranand@gmail.com, Mob : 09810884786

DEADLINE FOR SUBMISSION

Final paper submission	:	March 15, 2019
Intimation for the selected papers	:	March 20, 2019
Receipt of Final Manuscript	:	March 22, 2019

(Best case study papers will be invited for writing the paper in IETE Technical Journal Review/Journal of Research of IETE)

46th VIKRAM SARABHAI MEMORIAL LECTURE

Vikram Ambalal Sarabhai was one of the greatest scientists of India. He is widely regarded as the father of Indian Space Programme. In fact he was a rare combination of a scientist, an innovator, industrialist and a visionary.

In memory of Vikram Sarabhai, the Memorial Lecture will be organized during the inaugural session of the Golden Jubilee MTS on 5th April 2019.

SOUVENIR & PROCEEDINGS

A souvenir will be released during the MTS, which will contain a report on the major activities of IETE, abstracts of contributed papers, invited talks, messages from dignitaries and advertisements.

Sponsors and advertisers are invited to send their material and advertisement charges along with the registration form attached with this brochure to :

Shri Gurmukh Singh

Vice Chairman, IETE Delhi Centre

Mob : 09999141558
