

THE INSTITUTION OF ELECTRONICS AND TELECOMMUNICATION ENGINEERING

Board of Research, Innovations & Standards (BoRIS)

IETE has been actively involved in the BIS electronic division. Following members are attending and participating in the ongoing various activities of various committees:

- LITDC** – **Electronics and Information Technology Division Council**
Dr N Venkateswaran, venkateswaran.iete@gmail, 9443468070
S/By - Dr D C Pande, pande_dc@hotmail.com, 9449048858
- LITD 2** – **Reliability of Electronics and Electrical Components & Equipment**
Dr P K Singhal, pks_65@yahoo.com, 9425341555
S/By - Col A K Bhanot (Retd), bhanotashok@hotmail.com, 910990047
- LITD 7** – **Audio, Video & Multimedia Systems & Equipment**
Shri Parag Walinjkar, parag.walinjkar@gmail.com, 9869236082
S/By – Dr Harish Mahendru, harish.mahendru@gmail.com, 8860020897
- LITD 14** – **Software and System Engineering**
Dr R D Kharadkar, r.kharadkar@raisoni.net, r_kharadkar@yahoo.com, 9657724102
S/By – Prof (Dr) Nilesh N Kasat, nileshkasat27@gmail.com, 9766309111
- LITD 16** – **Identification & Data Capture Techniques, Cards and Security Devices**
Dr Shiv Kumar, shivksharma@hotmail.com, 9599786300
S/By – Dr. Jyotsna Kumar Mandal, jkm.cse@gmail.com, 9434352214
- LITD 19** – **E-Learning**
Dr. Jyotsna Kumar Mandal, jkm.cse@gmail.com, 9434352214 and
Dr R D Kharadar, r.kharadkar@raisoni.net, 9657724102
- LITD 27** – **Internet of Things**
Dr. M H Kori, mhkori@gmail.com, 9342593876
S/By - Prof (Wg Cdr) P Prabhakar (Retd), pprabs06@yahoo.co.in, 9814851377

INNOVATIONS (Please click to read the report on Innovation Meets)

1st IETE Innovation - Industry Meet – 27 Aug 2016

2nd IETE Innovation - Industry Meet– 29 Aug 2017

3rd IETE Innovation - Industry Meet – 01 Sep 2018

4th IETE Innovation - Industry Meet – 22 Oct 2019

5th IETE Innovation - Industry Meet – 26 & 27 Aug 2021

RESEARCH GROUPS

Aims and Objectives of Research Groups:

- To identify specific research areas in the respective domains and prepare research and policy papers.
- To propagate the information by conducting webinars and skill development programs.
- To setup IETE standards on the pattern of IEEE.
- To identify funding agencies and seek the research grants.
- To align present fellowships with identified domains, explore collaborative efforts with industry, government research agencies, academia, national / international, support and consult for Incubation Center and startups.
- To collaborate with DRDO, CSIR Laboratories, DST, AICTE and BIS.

Following Research Groups have been established.

- (i) Space Technologies – Lead by Dr. S Pal, Past President IETE
- (ii) 6G Communication Technology – Lead by Dr. M H Kori
- (iii) Information Systems Security – Lead by Dr. Jyotsana Mondal
- (iv) Emerging Microwave Technologies – Lead by Dr. Niranjana Prasad
- (v) Electronics Hardware – Lead by Dr. Ajay Agarwal
- (vi) Data Analytics – Lead by Col (Dr) Bipin Pandey
- (vii) AI/ML – Dr N Venkateswara
- (viii) IoT – Dr K Seetha Ram Babu
- (ix) Quantum Computing – Lead by Dr Shiv Kumar
- (x) Cyber Security & Critical Infrastructure – Lead by Dr R Kharadkar and Dr Shiv Kumar
- (xi) Data Analytics – Lead by Prof R Kharadkar and Er K Gnaneshwar Rao
- (xii) Cloud Computing – Lead by Dr K Seetha Ram Babu and Er K Gnaneshwar Rao
- (xiii) Block Chain – Lead by Dr Shiv Kumar
- (xiv) Implementation of IPv6 and IPv6 Security – Lead by Dr Ajay Kumar
- (xv) Hardware Security – Lead by Dr Shiv Kumar
