

Dear Student,

Greetings from IETE!

Hope you are doing fine.

It has been revealed from the records that you were enrolled with the Institution for AMIETE (04 year engineering degree equivalent examination) program before 31 May 2013 and you have not completed the program till now.

It is brought to your notice that despite our best efforts to get the recognition of the AMIETE program, the recognition was not considered favourably by the Hon'ble High Court of Delhi for all the students enrolled after 31 May 2013. However, Hon'ble High Court has ruled that the degree awarded to all students who were enrolled up to 31 May 2013 shall be recognised by the Government. (Copy of the order can be seen at www.iete.org).

In the light of the above, IETE Governing Council has deliberated and decided that IETE will continue to conduct examination to provide opportunity to all the students enrolled up to 31 May 2013 to complete their AMIETE (04 year engineering degree equivalent examination) by completing the pending subjects / papers to get the recognised certificate.

You are required to send your future emails at exam@iete.org with subject mentioned as "AMIETE Pending Examinations".

Proposed schedule for the forthcoming examination will be informed soon after the Governing Council approval.

AMIETE examinations will be conducted up to Dec 2025 only.

You are also advised to contact your fellow students and share this information. Please ignore, if you have already cleared your AMIETE.

Best Wishes,

Secretary General

Dear Student,

Greetings from IETE!

Hope you are doing fine.

It has been revealed from the records that you were enrolled with the Institution for DiplETE program before 31 May 2013 and you have not completed the program till now.

It is brought to your notice that despite our best efforts to get the recognition of the program DiplETE, the recognition was not considered favourably by the Hon'ble High Court of Delhi for all the students enrolled after 31 May 2013. However, Hon'ble High Court has ruled that the diploma awarded to all students who were enrolled up to 31 May 2013 shall be recognised by the Government. (Copy of the order can be seen at www.iete.org).

In the light of the above, IETE Governing Council has deliberated and decided that IETE will continue to conduct examinations to provide opportunity to all the students enrolled up to 31 May 2013 to complete their DiplETE by appearing and passing the pending subjects / papers to get the recognised certificate.

You are also required to send your future emails at exam@iete.org with subject mentioned as "DiplETE Pending Examinations".

Proposed schedule for the forthcoming examination will be informed soon after the Governing Council approval.

DiplETE examinations will be conducted up to Dec 2025 only.

You are also advised to contact your fellow students and share this information. Please ignore, if you have already cleared your DiplETE.

Best Wishes,

Secretary General
