From The President's Desk

SUNIL

As I present IETE Annual Report for the fiscal year 2025-26, I feel great pride and a profound sense of accomplishment. This past year has been defined by remarkable resilience, strategic growth, and an unwavering commitment to delivering excellence. In the last one year, IETE strengthened its leadership position, helping to guide innovation in a direction that benefits humanity. We made inroads with Industry and expanded collaborations with students and policymakers in efforts that showcased the large impact that technology plays in driving positive change. Despite a dynamic global landscape, IETE reached new milestones. It has further coagulated its role as a catalyst inside its ecosystem, accompanying its escalation through initiatives that promote scholastic distinction, responsible management, innovation, diversity, and sustainability. Throughout the year IETE endeavoured towards strengthening the three tactical pillars: professional development, knowledge creation, and socially impactful initiatives. Through them, the Institution has helped shape a community of leaders committed to fostering a lasting, positive change in the world. IETE

strengthens its global community by actively engaging students and young professionals through structured career, networking, and educational initiatives. Via its worldwide network of members, IETE association helps the next generation of talent build professional connections and advance their careers in technology. Considering that recognizing and honoring emerging talent is a proven catalyst for excellence, IETE also confers awards, accolades and research grants to incentivize young innovators, drive groundbreaking research, and foster the next generation of leadership across scientific, social, and academic disciplines. In terms of knowledge creation and dissemination, this year witnessed the expansion of research initiatives, including the launch of new centres and ISF Chapters. IETE inaugurated its **Centre of Excellence (Cyber Security)** on **July 11, 2026**, at **Jharkhand Rai University in Ranchi** to provide students and professionals with hands-on learning, industry-recognized certifications, and collaborative project spaces to mitigate digital security challenges. **A new sub-centre of IETE was inaugurated at Bapatla on 27th December 2025** at the conference hall of Bapatla Women's Engineering College (BWEC) in Bapatla, Andhra Pradesh. The sub-centre is functioning under the coordination of the IETE Vijayawada Centre. A sub centre was also inaugurated at **Amity University, Greater Noida** on **September 29, 2025** to boost technical education, innovation, and industry alignment.

IETE community is on the brink of an era of technological rebirth. It's commitment extends beyond merely keeping pace with

these developments; we aim to guide their trajectory. The Key priorities include elevating IETE academic and professional offerings, advancing industry-academia partnerships, and expanding meaningful research and learning opportunities for IETE students and young professionals. Despite numerous milestones over the last year, I made every effort to maintain the institution's integrity and uphold its fundamental principles. To boost the morale of IETE Centres, I spearheaded a dynamic motivational campaign. I made it a priority to visit even most remote centres to listen to their challenges and implement practical fixes. By customizing IETE's strategies—offering incentives, providing regular feedback, and establishing clear goals—we have created a highly supportive ecosystem that continues to drive exceptional results.

The strength and recognition of IETE come directly from its members. And it is wonderful when we see IETE members earn high honor and formal recognition for their hard work. I am glad to share that Prof. M Jagadesh Kumar, a Fellow of IETE, former Chairman UGC, former Vice-Chancellor of JNU, Editor-in-Chief IETE Technical Review has been conferred with prestigious Padma Shri Award on 26 Jan 2026. The prestigious honor recognizes his extensive contributions to academic leadership, higher education reforms, and his roles guiding major institutions like the University Grants Commission (UGC) and Jawaharlal Nehru University (JNU). His dedication sets a powerful example, brings honor to the community, and paves the path for future generations to step up with confidence and purpose.

IETE is actively engaged in multiple exhibitions

and hosted several conferences, successfully amplifying its visibility and extending its outreach to a wider audience. IETE in collaboration with AI4India organized a webinar titled “**Future of Employability in the Age of AI**” on 2nd Apr 2026. I represented IETE at various renowned events to strengthen its brand presence and community engagement. I chaired the panel discussion on “**Direct to Mobile Broadcasting (D2M): A Win-Win for Broadcasters, Telcos and Consumers**” at Convergence India Expo, during SATCAB 2026 Symposium on 25th Mar 2026, with elite panellists Shri Pankaj Krishna, Founder and CEO Chrome Data, Shri CK Jain, Advisor Freestream Technologies, Shri Prashant M Maru, Vice President Tejas Networks and Hocine Belhous Synamedia, at Bharat Mandapam, New Delhi. I would like to highlight that IETE hosted several conferences which were themed around national development goals to demonstrate its pledge to align with broader national objectives. The 72nd Foundation Day was celebrated at the IETE HQ on the theme “**Indigenization of Hi-Tech & Critical Technologies**” on 3rd November 2025. The theme chosen for its 68th Annual IETE Convention held on 27-28 September 2025 at CSIO Chandigarh was “**Innovative Digital Technologies and Applications for Sustainable Society Development**”. The 58th World Telecommunication and Information Society Day (WTISD) 2026 was commemorated at IETE Headquarters on 18 May 2026 on the theme selected by the International Telecommunication Union “**Digital Lifelines: Strengthening Resilience in a Connected World**”. We went an extra mile to secure senior government officials as key speakers and Chief Guests. Navigating their demanding schedules is always a challenge, but the commitment to

bring high-level policy insights and leadership perspectives has led to an incredible lineup. Besides this, various events conducted by IETE Centres, Sub-Centres, ISFs and PACs during the year reflect a commendable level of enthusiasm and dedication, contributing to a sense of pride and satisfaction among us all. IETE Lucknow Centre in collaboration with Amity School of Engineering and Technology, Lucknow campus organized **2nd International Conference on Computing, Communications & Intelligent Systems (ICCCIS-2026)** on **18-19 March 2026** in Hybrid mode. The Zonal Seminars from the South, West, East and North did a great job of raising the institution's profile. I am pleased to inform that IETE is holding its **69th Annual IETE Convention and the 5th International Conference on "Network Security and Blockchain Technology (ICNSBT 2026)"** at IETE Kolkata Centre on **25-26 September 2026**.

The year witnessed unprecedented community engagement through philanthropic campaigns and collaborative events. We successfully signed multiple MoUs and held strategic meetings with allied professional institutes to enhance member opportunities in research, networking, and professional growth. We signed a Memorandum of Understanding (MoU) with AI4India on 10th December, 2025. This alliance gives IETE members and students new paths to explore artificial intelligence. Together, IETE and AI4India will use their tech knowledge and national network to help make India a centre for AI growth. On 12 June 2026, IETE renewed its MoU with IEEE for a further three-year term (August 2026-August 2029). The agreement was signed at ITC Maurya, New Delhi by Mary Ellen Randall, President and CEO of IEEE for the year 2026 and by me in

my capacity as President of IETE. The updated MoU solidifies the institutional alliance, enhancing cooperation across membership growth, publications, technical conferences, humanitarian technology, and other strategic initiatives. IETE and TV BRICS International Media Network, Russia, signed a Memorandum of Understanding (MoU) on 12 Sep 2026 at IETE HQs, New Delhi to promote greater cooperation in Science, Technology, Engineering, Education and knowledge exchange across the BRICS + and Global South.

By publishing cutting-edge publications that embody the spirit of exceptional advancements in information and communication technology, IETE shows its dedication to promoting a deep national transformation. IETE Publications are poised to enter a new phase with the transition of its journals to a new publishing partner, succeeding Taylor & Francis. Following extensive deliberations and with the approval of IETE and the Editors-in-Chief, we are pleased to announce the selection of Sage Publishing as the Institution's publishing partner from January 2027. This partnership is expected to further enhance the visibility, accessibility and impact of IETE's scholarly publications while maintaining the highest standards of academic publishing and research integrity. In addition, IETE is actively exploring opportunities to expand its publishing portfolio and is currently in discussions with a leading Indian publishing house to establish a book publishing programme for its members. This initiative will provide an important platform for members to publish books, monographs and other scholarly works, thereby fostering knowledge dissemination and professional growth within the engineering and technology community.

inform them about students whose memberships are due to expire soon and for enrolment of fresh student members.

Prepared a storage area in the backside of IETE HQ building and relocated all old records to create a cleaner, more organized section for improved staff efficiency.

A structured database of active ISF Forums and enrolled students has been developed and is updated on a monthly basis. Reminder emails are sent regularly each month to encourage colleges/institutions to renew their membership with updated student strength.

Emails are being sent to the Chairmen of IETE Centres/Sub-Centres regarding newly enrolled ISFs to facilitate wider publicity of IETE activities and improve coordination of technical initiatives.

Emails have been sent to various institutions inviting them to become IETE Organisational Members. As a result of this initiative, a significant number of queries and expressions of interest have been received.

Regular emails are being sent to authors of the IETE Journals (JR, TR & JE) encouraging them to take individual membership. This practice has received a positive response.

Independent Auditor's Report

The Members

Governing Council of **The Institution of Electronics and Telecommunication Engineers**
2, Institutional Area, Lodi Road New Delhi-110 003

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of the **Institution of Electronics and Telecommunication Engineers** ("the Institute") which comprises the Balance Sheet as at 31 March 2026 and the Statement of Income & Expenditure for the year ended 31 March 2026 incorporating the financial statements of the **Headquarter and CPF** audited by us.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Institute in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter:

- 1) During our audit of the financial records of IETE HQ, it was observed that the organization has granted a deduction under Section 80C of the Income Tax Act, 1961, for employee contributions made towards an unrecognized provident fund. According to the provisions of the Income Tax Act, contributions to an unrecognized provident fund do not qualify for deductions under Section 80C. This non-compliance with statutory requirements has resulted in an improper claim of tax benefits by the employees.
- 2) The balances under Investments, Current Assets, Loans and Advances, Current Liabilities and Provisions are subject to Balance-Confirmation and Reconciliation.
- 3) Institute is not following the practice of Reconciliation of GST Turnover, Input Tax, Output Tax from Books and GST Portal on monthly basis as a result Outstanding Liability of GST and Turnover does not reconciled.
- 4) Institute is not following the TDS Compliance for all the payment done to the vendors.
- 5) Physical verification of fixed Assets not done by the Institute and Insurance of all fixed Assets not done by the Institute.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the Balance sheet of the Institute as at 31st March, 2026 and its Income and Expenditure account for the year ended on that date.

Independent Auditor's Report (Consolidated)

The Members

Governing Council of **The Institution of Electronics and Telecommunication Engineers**

2, Institutional Area, Lodi Road New Delhi-110 003

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the **Institution of Electronics and Telecommunication Engineers** ("the Institute") which comprises the Balance Sheet as at 31st March 2026 and the Statement of Income & Expenditure for the year ended 31st March 2026, which incorporated the financial statements of the Headquarter audited by us and 30 Centers audited by the other auditors and 1 Centers (unaudited) as certified by the management and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Institute in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter:

- (a) During our audit of the financial records of IETE HQ, it was observed that the organization has granted a deduction under Section 80C of the Income Tax Act, 1961, for employee contributions made towards an unrecognized provident fund. According to the provisions of the Income Tax Act, contributions to an unrecognized provident fund do not qualify for deductions under Section 80C. This non-compliance with statutory requirements has resulted in an improper claim of tax benefits by the employees.
- (b) The balances under Investments, Current Assets, Loans and Advances, Current Liabilities and Provisions are subject to Balance-Confirmation and Reconciliation.
- (c) Institute is not following the practice of Reconciliation of GST Turnover, Input Tax, Output Tax from Books and GST Portal on monthly basis as a result Outstanding Liability of GST and Turnover does not reconciled.
- (d) Institute is not following the TDS Compliance for all the payment done to the vendors.
- (e) Physical verification of fixed Assets not done by the Institute and Insurance of all fixed Assets not done by the Institute.
- (f) The uniform accounting policies have not been followed by all the Centers regarding accounting of Depreciation.
- (g) Some Centers do not have proper records showing full particulars including details and situation of fixed assets and also there is no practice of Physical Verification of the Fixed Assets undertaken by the Management during the year under the audit.
- (h) Some Centers do not have proper accounting of consumption of Inventory and it is also reported that the inventories are not physically verified.
- (i) Upon going through the Audit reports provided by the Auditors of the Centers, some discrepancies related to accounting, booking of income and expenses, reconciliation of Bank Accounts and other Current Assets are reported, which may impact the Income and Expenditure Account as well as reporting of assets/liabilities.
- (j) The entity having total 63 centers but we have received only 31 centers out of these 1 centers were unaudited and remaining 32 centers not received and mention as below: -

ADVERSE OPINION:

According to the information and explanation given to us and based on our audit material, we want to draw members attention to following points: -

Basis for Adverse Opinion:

We hereby Qualify our report with respect to the following points: -

1. We have not received financials of 31 centers due to which we have not incorporated in the financials of the entity.
2. Many of the centers had not followed proper accounting method which does not gives true and fair views.

3. We were unable to obtain sufficient appropriate audit evidence to support the balances of Loan and Grant given by head office to various centers. The management was unable to provide us Financial Statements of all centers, which was necessary to perform a complete and thorough reconciliation of the head office loan balances and Grant given by head office. This limitation prevented us from adequately evaluating the accuracy and completeness of these balances.
4. TDS of the multiple previous years has not been adjusted in the books. Current year TDS is subject to reconciliation.
5. We are unable to obtain sufficient and appropriate audit evidence to determine the completeness and existence of Fixed assets. We also were unable to determine the accuracy and valuation of depreciation expense, as the calculation of depreciation is subject to reconciliation to the physical inventory of fixed assets.

Consequently, we are unable to express an unqualified opinion on the financial statements.

In our opinion, because of the omission of the information mentioned in the Basis of Adverse Opinion, the financial statement does not give a true and fair view in conformity with the accounting principles generally accepted in India of the Balance sheet of the Institute as at 31st March, 2026, and its Income and Expenditure account for the year ended on that date.
