About IETE

IETE, The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunications & IT. Founded in 1953, it serves more than 70,000 members through its 57 Centers spread all over India and abroad. The Institution provides leadership in Scientific and Technical Areas of direct importance to the national development and economy. Government of India has recognized IETE as a Scientific and Industrial Research Organisation (SIRO) and also notified it as an educational Institution of National eminence. The objectives of the IETE focus on advancing communications and electronics technology. The IETE conducts technical meetings, conferences, symposia and exhibitions all over India. Publishes technical journals and provides continuing education as well as career advancement opportunities to its members.

Objectives

To promote the general advancement of Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects and their applications and to facilitate the exchange of information and ideas on these subjects amongst the members of the Institution and otherwise, and for that purpose:

- To hold meetings of the Institution for reading and discussing communications bearing upon

Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects, or the application thereof or upon subjects relating thereto.

- To hold and promote Exhibitions of instruments, apparatus, machinery or other appliances connected with Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects or their applications.
- To print, publish, sell, lend or distribute proceedings or reports of the Institution or any papers or communications, works or treatise on Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects or their applications, or any abstracts thereof or extracts therefrom.
- To encourage research, and promote the development of appropriate technologies in Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects and their applications.
- To make grants of money, books, apparatus or otherwise for the purpose of promoting invention and research in Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and

allied subjects or their applications or in subjects connected therewith.

- To establish professional and technical standards in Telecommunications and conduct such tests and/or examinations as may be required for this purpose.
- To undertake such other activities which will further the objects and aims of the Institution and advance the science and technique of Telecommunications, Electronics, Computer Science and Engineering, Information Technology and allied subjects.

Automation

IETE has taken important steps towards automation of system. Online registration of members and examinations and automation of Council election process are landmark achievements in this regard.

MoUs with Sister Societies

IETE has signed a number of Memorandum of Understanding (MoU)/Agreements with Institutions/bodies like Institution of Engineers(I), Institution of Electrical and Electronics Engineers(IEEE), USA.IEEE Communications Society(IEEE ComSoc), Institution of Electrical Technology, UK(IET, UK), Computer Society of India(CSI),IGNOU and IEEE, MTT-S CMAE and CENTYM (part of Bharti Group). These agreements will give wider exposure to our members and also help students in their placement. Details of the agreements/MoU are hosted on <http://www.iete.org>.
