Dear Members,

**Best Wishes for a Happy & Prosperous
New Year 2013**

As you are aware, on 02 Nov 2012, we have started our Diamond Jubilee Celebrations year. We plan to carry out many activities during the year.

To give a road map and shape to the total activities calendar, I solicit your suggestions and request all Centres to launch Technical Lecture series on popular topics, organize seminars, conferences, quizzes etc. on upcoming technologies, health-care, green technology, e-governance, nanotechnology the like and the theme of the Diamond Jubilee Year : **"Indian Wireless Communications Paradigm: Opportunities and Challenges"**.

With warm regards,

Sincerely yours,

(SPAL)
President

About IETE

Founded in 1953, the Institution of Electronics and Telecommunication Engineers (IETE) is a leading professional society devoted to the advancement of Science & Technology in Electronics, Telecommunications, Information Technology, Computer Science and other related disciplines. IETE serves its more than 60,000 members both individuals and industries/organizations through its 64 Centres spread all over India including one at Kathmandu (Nepal). To keep pace with technological development and achieve the mission of advancing the profession, it organizes conferences, conventions, symposia, seminars, workshops, publications and brain storming sessions for continued knowledge upgradation of its members.

The Government of India, Ministry of Science and Technology, Department of Scientific & Industrial Research has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and the Institution has also been notified as an Educational Institution of National Eminence by the Government of India.

Objectives

To promote the general advancement of Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects and their applications and to facilitate the exchange of information and ideas on these subjects amongst the members of the Institution and otherwise, and for that purpose:

- To hold meetings of the Institution for reading and discussing communications having bearing upon Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects, or the application thereof or upon subjects relating thereto.
- To hold and promote Exhibitions of instruments, apparatus, machinery or other appliances connected with Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects or their applications.
- To print, publish, sell, lend or distribute proceedings or reports of the Institution or any papers or communications, works or treaties on Tele-

communication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects or their applications, or any abstracts thereof or extracts therefrom.

- To encourage research, and promote the development of appropriate technologies in Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects and their applications.
- To make grants of money, books, apparatus or otherwise for the purpose of promoting invention and research in Telecommunication Engineering, Electronics, Computer Science and Engineering, Information Technology and allied subjects or their applications or in subjects connected therewith.
- To establish professional and technical standards in Telecommunications and conduct such tests and/or examinations as may be required for this purpose.
- To undertake such other activities which will further the objects and aims of the Institution and advance the science and technique of Telecommunications, Electronics, Computer Science and Engineering, Information Technology and allied subjects.

Automation

IETE has taken important steps towards automation of system. Online registration of members and examinations and automation of Council election process are landmark achievements in this regards.
