IETE Publications

IETE publications have made significant strides in response to the developments in the fields of Electronics, Telecommunication, Computer Science and Information Technology. We are committed to removing the barriers and practices that often hamper the timely and effective communication of new research findings. Having published almost 173 articles (review/originals) during this annual period Sep 2015 to Sep 2016, IETE is showcasing its achievements in attracting growing numbers of submissions, publishing high-quality research papers, supporting transparency and reproducibility, as well as the careers of new researchers, and exploring new publication formats. IETE is proud of the Publication team's accomplishments including our talented academic editorial team ably led by Editors-in-Chief Prof Shibani Koul (IETE Journal of Research), Prof Jagadesh Kumar (IETE Technical Review) and Prof Raj Senani (IETE Journal of Education), who are committed and practice an open and transparent editorial process to ensure that new submissions are assessed swiftly and fairly. Our publisher, Taylor & Francis, based in Cambridge UK, has also put together a leading-edge publishing platform that delivers a rich, spontaneous digital content experience. IETE journals are receiving a warm response from the research community. The impact factor of IETE Technical Review has increased from 0.888 to 1.304 and of IETE Journal of Research has increased from 0.185 to 0.284.

Recognizing Excellence: Awards

IETE recognizes outstanding achievements amongst its members and other professionals in the broad areas of Electronics, Telecommunication, Computers, Information Technology and related disciplines through annual/biennial awards. These awards and recognition play vital role in improving the visibility of the Institution and also fulfillment of our role of giving recognition to the professionals who have excelled in their work in the fields of interest to IETE. IETE confers 24 (twenty four) main awards for outstanding achievements, 08 (eight) corporate awards for excellence of performance, 08 (eight) awards for best technical/ research articles published in our journals during the calendar year and academic awards for IETE student members for their academic excellence in various examinations besides 03 (three) prizes for the best Technical Papers selected in the IETE National Technical Paper Contest. To make the existing procedure for selection of Awardees for IETE Awards more transparent, fair and systematic, there is a 'Jury of Experts' constituted for each award. This Jury consisting of five experts is selected from reputed Institution /Universities /Engineering Organizations based on their subject expertise, academic/research and managerial experience. Each award is finally ratified by the Board of Awards (BoA).

Skill Development Initiatives

Keeping in view that Skill Development is an imperative to national growth and advancement, IETE is moving more vigorously into this domain.

IETE has taken initiatives in various skill Development programmes such as :-

- Conduct of 50 ESDM workshops throughout the country, sponsored by Dept of Electronics & Information Technology (DEITY) at IETE Centres/ Colleges.
- To conduct the training of Defence Personnel on Optic Fibre Network course sponsored by the Directorate General of RE-Settlement of Defence.
- Training on Mobile repair under the Star Scheme of NSDC.
- Collaboration with NIELIT for conducting programmes.

IETE has successfully conducted skill development training under PMKVY scheme in Optical Fiber Splicing, in Mobile Repair and Solar Panel Maintenance and Installation and trained more than 150 students.

IETE has successfully submitted its proposal for Atal Incubation Scheme launched by Niti Aayog, wherein a grant of Rs 10 Crores will be offered to the selected organizations to develop Incubation Centre. We are very positive and look forward to becoming an Incubation Centre very soon.
