About IETE

Established in 1953, the Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognised professional society devoted to the advancement of Electronics, Telecommunications, Information Technology, Computer Science and other related disciplines. IETE serves more than 1,25,000 Corporate, Students and ISF Members through its 63 Centres spread all over India including one at Kathmandu (Nepal) and one Professional Activity Centre (PAC) at Perth, Australia. The Institution promotes and conducts basic engineering and continuing technical education programmes for human resource development. It also holds National Conferences, Seminars and Workshops every year throughout India with the aim of technological growth of corporate & student members and various other stake holders in Govt, Industry and Academia.

The Government of India, Ministry of Science and Technology, Department of Scientific & Industrial Research has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and the Institution has also been notified as an Educational Institution of National Eminence by the Government of India.

OBJECTIVES

- Promotes and conducts basic engineering and continuing technical education programmes for human resource development
- Provides forum for discussion on national policies and to provide suitable inputs to policy makers.
- Organise conferences, symposia and workshops involving all concerned professionals, students and industry association for the advancement of the discipline.
- Stimulates research and development in the discipline.
- Brings out quality publications for all levels of readership.
- Honours outstanding professionals.
- Facilitates inter-disciplinary interaction with other organisations and individuals within and outside the Country for the promotion of the discipline.
- Undertakes socially relevant programmes with Electronics, Telecommunication and IT as tools.

OUR RESOURCE - MEMBERS

IETE offers a variety of Membership grade from student member to Hony Fellow. As members progress in the professional field over the years they become eligible for more advanced membership classification.

- **Corporate Members**
- **Honorary Fellow (HF):** A coveted honour conferred on eminent personalities who have made exceptional contribution in the field of Science and Technology.
- **Distinguished Fellow (DF):** Highest class of elected membership: only eminent Life Fellows are eligible for nomination and election.
- **Fellow(F):** Engineering Degree in related discipline and professional Competence and Recognition.
- **Member(M):** Engineering Degree in related discipline and work experience.
- **Associate Member(AM):** Based on pass in Graduateship examination AMIETE or equivalent Engg Degree.
- **Chartered Engineer (IETE):** Fellow for at least 5 years or Member for 10 years and a practicing engineer.

- **Student Members**

- **Student (PGCS) :** Registered for ALCCS Exams, (Post Graduate Level)
- **Student (SG) :** Registered for AMIETE. (Graduate level)
- **Student (SD) :** Registered for DipIETE (Diploma level)
- **Student (ISF-G) :** Belonging to IETE Students' Forum at Engg. Colleges.
- **Student (ISF-D) :** Belonging to IETE Students' Forum at Polytechnics.

- **Organisational Members (Org Mem):** Open to Institutions/ Organizations/Companies engaged in broad areas of Electronics, Telecommunications, Computer Science and Information Technology.

Membership forms for Corporate Membership and Organizational Members can be downloaded from IETE Website : <http://www.iete.org>

IETE INDUSTRY INTERACTION

IETE has always been closely associated with the Industry by promoting interactions and discussions through seminars, and workshops. Industries join IETE directly as organisational members and their representatives may find a place in the Governing Council of the Institution.

APEX FORUM

IETE organises Apex Forums to provide a platform for exchange of meaningful ideas, on contemporary issues of national interest, amongst :

- Policy makers/implementers.
- Industry Leaders.
- Leading Academicians/Research Organizations.
- Eminent Professionals.

Recommendations/Action plan resulting out of these deliberations is shared with all stake holders for consideration.

PROFESSIONAL MANPOWER DEVELOPMENT

Recognising that information and knowledge are primary resources, IETE has been engaged from the very beginning in creating technical force of professionals for different levels in relevant engineering disciplines. As a result, new career opportunities have opened up for student members through IETE examinations, viz Diploma (DiplIETE), Graduateship (AMIETE), Post Graduate level (ALCCS) and Dual degree or integrated programmes. The regulations/Syllabi for all these are drafted by various specialists members from IITs and various other institutions of repute and are revised periodically. These examinations are recognised by Govt of India for superior and sub ordinate services and AICTE for those enrolled upto 31st May 2013. These certified courses are also recognised for higher education by large number of Universities and Institutions. The IETE examinations are :-

DiplIETE (since 1987) (Diploma Level)

- Comprises of Sections A & B, practical examinations and project
- Eligibility : 10th Pass & Higher Qualification (Science) and engaged professionally.

AMIETE (since 1959) (Degree Level)

- Examination recognized by the Govt of India, UPSC and a large number of Universities/Institutions.
- Permitted to appear for GATE;ME/M. Tech. examinations.
- Comprises of Sections A & B, practical examinations, project and seminar.
- Eligibility : 10+2 with PCM & Practical Experience or higher Studies (Science) or Diploma in Engg and engaged professionally.

Advanced Level Course in Computer Science (ALCCS) (since 1982) at Delhi, Hyderabad, Ahmedabad, Mumbai & Pune.

- Recognized equivalent to M. Tech in Computer Science.
- Unique 6-semester part-time evening programme.
- Comprises theory, laboratory sessions, project work in Industry/user agency.
- Eligibility : BE, AMIETE, AMIE, MCA, M. Sc (CS, Electronics, Physics, Mathematics, Statistics, Operations Research)

CONTINUED KNOWLEDGE UPGRADATION : A RACE AGAINST OBSOLESCENCE

Developing and improving technical and professional competencies, particularly in the working environment, is the greatest challenge that professionals face today. To help members avoid technological obsolescence and to achieve the mission of advancing the profession, IETE offers access to latest developments and brain-storming sessions through :-

- Annual IETE Convention (formerly Annual Technical Convention) : On the theme of current technological interest.
- Mid-Term Symposium : On current technological theme.
- International Conferences.
- Memorial Lectures : Bhabha Memorial Lecture, Vikram Sarabhai Memorial Lecture, Sir J C Bose Memorial Lecture, Sir C V Raman Memorial Lecture.
- Zonal Seminars at (North, South, West & East Zones) alongwith Zonal Congress.
- Apex Forums.
- Symposia, Fora, Workshops, Contact Programmes, Round Table Conferences.
- Opportunity to publish and review technical papers.
- Academic-Industry interactions.
- IETE Students' Forum (ISF).
- EDUSAT elan (e-learning).
- IETE Students' Day.
- Convocation Day.
- IETE Foundation Day.
- Skill Development Programmes.
- World Telecommunication & Information Society Day.
- National Technical Paper Contest.
- Innovation Meet.

PUBLICATIONS

IETE publications have made significant strides in response to the developments in the fields of Electronics, Telecommunication, Computer Science and Information Technology. We are committed to removing the barriers and practices that often hamper the timely and effective communication of new research findings. IETE is showcasing its achievements in attracting growing numbers of submissions, publishing high-quality research papers, supporting transparency and reproducibility, as well as the careers of new researchers, and exploring new publication formats. IETE has talented academic editorial teams ably led by respective Editors-in-Chief. IETE journals are receiving encouraging response from the research community and their impact factors are increasing consistently.

These publications contribute significantly in achieving the laid down objectives of the Institution. The Institution has its wide and prominent visibility due to these regular

publications which include three IETE Journals, Newsletter and Proceedings. Our journals viz. IETE Journal of Research (JR), IETE Technical Review (TR) and IETE Journal of Education (JE) are the prime resource for disseminating state-of-art, current and futuristic scientific and technical knowledge to a wide cross-section of readership of academia, industries, R&D organizations, libraries, professional engineers and students' community. The IETE Journals are available online (www.ietejournals.org). The members are sent the publications digitally.

IETE Journal of Research is published bi-monthly and covers scientific and technical papers describing original research or novel product/process development work being carried out in India and abroad in the areas of electronics, telecommunications, computer science engineering and information technology. Occasionally special issues are brought out on new and emerging research areas.

IETE Technical Review is also published bi-monthly and covers state-of-the-art review papers and in-depth tutorial papers on current and futuristic technologies keeping in view the interest of students, engineers, scientists, academicians and managers who are desirous to keep themselves abreast of the latest research and developments in the areas of electronics, telecommunications, computer science engineering and information technology. Occasionally special issues are brought out on new and emerging research areas.

Both these journals are a part of 'Web of Science', a coveted place amongst the International Journals of Science and Technology.

IETE Journal of Education is a half yearly publication. The journal provides supplementary resources to the students for preparing for their examinations and broadening their understanding of concepts.

IETE Newsletter is published four monthly. It covers important events and technical activities of Centres/Sub-Centres and IETE-Students-Forums established in engineering colleges throughout the country including calendar of proposed events and other useful information of IETE Corporate Members.

EXCELLENCE & AWARDS

IETE recognizes outstanding achievements amongst its members and other professionals in the broad areas of Electronics, Telecommunication, Computers, Information Technology and related disciplines through annual/biennial awards. These awards and recognition play vital role in improving the visibility of the Institution and also fulfillment of our role of giving recognition to the professionals who have excelled in their work in the fields of interest to IETE. IETE confers 24 (twenty four) main awards for outstanding achievements, 08 (eight) corporate awards for excellence of

performance, 08 (eight) awards for best technical/ research articles published in our journals during the calendar year and academic awards for IETE student members for their academic excellence in various examinations and 03 (three) prizes for the best Technical Papers selected in the IETE National Technical Paper Contest. To make the existing procedure for selection of Awardees for IETE Awards more transparent, fair and systematic, there is a 'Jury of Experts' constituted for each award. This Jury, consisting of five experts, is selected from reputed Institution /Universities /Engineering Organizations based on their subject expertise, academic/research and managerial experience. Each award is finally ratified by the Board of Awards (BoA).

Based on the merit an awardee is selected for recognition of excellence in the field of developments. In case of few awards, lectures are delivered by awardees at IETE Centre nearest to their location. To give wider publicity to attract good response to IETE awards, "Call for Nominations" is published in Nov-Dec and Jan-Feb issues of IETE Journal of Research and Technical Review. In addition, brochures and "Call for Nominations" for IETE main awards, corporate awards and National Technical Paper Contest are made available on IETE website.

SKILL DEVELOPMENT

Keeping in view that Skill Development is an imperative to national growth and advancement, IETE is moving more vigorously into this domain. IETE has taken initiatives in various Skill Development programmes such as :-

- Conduct of 60 ESDM workshops throughout the country, sponsored by Dept of Electronics & Information Technology (DEITY) at IETE Centres/Colleges.
- Trained 50+ Defence Personnel on Optical Fibre Communication Network course sponsored by the Directorate General of RE-settlement of Defence.
- Trained 150+ trainees under Govt schemes like PMKVY & STAR Scheme Pan India.
- Promoting Cyber Security/Cyber Laws through free seminars/guest lectures/workshops at different colleges so far 500+ students benefited.
- IETE certified 50+ candidates for Cyber Security/Cyber law & Cyber Forensics Course.

RESEARCH FELLOWSHIP

One of the prime and salient objectives of IETE is to stimulate Research and Development in the areas of interest to IETE. The institution endeavours to achieve the worthwhile objective by following two-pronged strategy:

- Encouraging research in the discipline by publishing Journal of Research which reports fundamental and applied research work being undertaken in the country and abroad. Publication is internationally recognized.
- By sponsoring research projects.

Under IETE Research Fellowship Scheme, IETE has sponsored nine research projects at IIT Delhi, Chennai, Guwahati, MS University Vadodara, Andhra University Visakhapatnam and Tezpur University Assam, which have been successfully completed leading to the award of Ph.D degree to the researchers. Research Fellowship grant is Rs 16,000/- per month in addition to the contingency grant of Rs 12,000/- per annum.

STIPEND SCHEME FOR HIGHER STUDIES (M TECH) FOR IETE GRADUATES
