ITEM-1 CONFIRMATION OF THE MINUTES OF THE 3RD (2005-06) MEETING OF THE PUBLICATIONS COMMITTEE HELD ON 7TH JULY 2006 AT KINGS KOURT HOTEL, MYSORE.

- 1.1 The minutes were confirmed.

ITEM-2 POINTS ARISING OUT OF THE PREVIOUS MEETING

2.1 Publishing schedule of IETE Publications

The committee noted the updated publishing schedule of various IETE publications including special issues listed in **Annexure-1** of the Agenda.

Contd.P/2.

2.2 Progress on the deferred Special Issues of IETE Technical Review

- Special issue on “Nano-technology Education Changing Perception” to be guest edited by Dr Shamim Ahmad: A total of 7 articles have been received and are under editing. The special issue is scheduled for Jan-Feb 2007 issue.
- Special issue on “Spoken Language Processing” to be guest edited by Dr S S Agrawal: Due to repeated postponements of special issue on account of non-receipt of articles, Committee requested the Chairman Publications Committee to speak to Dr S S Agrawal regarding the progress of the above special issue.

2.3 Inclusion of Short Readable Articles in IETE Technical Review

Article on “ Emerging Trends in ICT Providing Very Fast, Highly Cost Effective and Most Efficient Solution to Rural Problems” has been received from Dr Tarun Kumar De. Members suggested that suitable articles may be invited from industry / service sectors rather than restricting to only academic / research oriented fields. All members of the committee agreed to help in the matter.

2.4 Option from IETE Corporate Members for Hard Copy of IETE Technical Review (TR)

Publications Committee recommended mailing of hard copy of IETE Technical Review only to those who have communicated their option w.e.f Jan-Feb 2007 issue. The last two issues of IETE Tech Review (Jul-Aug 2006 & Sep-Oct 2006) have been up- loaded on IETE website.

2.5 Special Issue of TR on MTS-06 topic “Information Communication Technology Initiative for Rural Development” (ICTIRD-06)

The above special issue No.5 (Sep-Oct 2006) has been published and is being despatched.

ITEM – 3 NEW PROPOSAL FOR A SPECIAL ISSUE OF IETE TECHNICAL REVIEW ON “BIOMEDICAL SIGNAL AND IMAGE PROCESSING” TO BE GUEST EDITED BY PROF VINOD KUMAR ,IIT ROORKEE.

Some members felt that the subject for the proposed special issue is more appropriate for IETE Journal of Research rather than Technical Review. This would be ascertained from Prof Vinod Kumar, IIT Roorkee. If required, some of the articles may be considered for Technical Review.

ITEM – 4 RESTRUCTURING OF EDITORIAL BOARDS AND REVIEWERS FOR IETE JOURNALS

The Committee recommended restructuring of Editorial Boards of IETE Journals as per lists placed at **Annexure-I**.

ITEM-5 REVISION OF SUBSCRIPTION RATES FOR IETE JOURNALS

After due deliberations the committee recommended nominal increase w.e.f. January 2007 in Subscription rates of IETE Journals mainly to cater for despatch by Registered Book Post only to paid subscribers to minimize non-receipt complaints from them. The details of existing and revised subscription rates are as follow:

	<u>Existing Rates Rs.</u>	<u>Revised Rates Rs.</u> (Effective from Jan 2007)
IETE Journal of Research & IETE Tech Review	660/-	750/-
Above both journals for Student Members of IETE	470/-	500/-
IETE Journal of Research	400/-	500/-
IETE Tech Review	400/-	500/-
IETE Journal of Education	100/-	150/-
IETE Journal of Education for Corporate Members of IETE	70/-	100/-

ITEM-6 SHORTAGE OF ARTICLES FOR IETE JOURNAL OF EDUCATION

The Chairman of Editorial Board of IETE Journal of Education (JE), Prof S C Dutta Roy, has written letters to the members of the Editorial Board of JE requesting them to contribute articles for JE. Committee Members also suggested that at least 2-3 sets of Solutions of IETE QPs be published in each issue of JE to make it more relevant to the IETE Students. The Committee recommended that honorarium be paid to reviewers of all the articles and authors of accepted papers for Technical Review @ Rs.500/- per article per reviewer and Rs.1,000/- per accepted article to author (s). It was also suggested that the number of issues of IETE Tech Review and Journal of Research could be reduced to meet the financial implications on account of payment of honorarium, if required.

ITEM-7 SPECIAL ISSUE OF IETE TECHNICAL REVIEW BASED ON A FEW SELECTED PAPERS PRESENTED IN CO-SPONSORED INTERNATIONAL CONFERENCE ON "SIGNAL PROCESSING COMMUNICATION AND NETWORKING (ICSCN)" TO BE HELD AT MIT, CHENNAI IN FEB 2007.

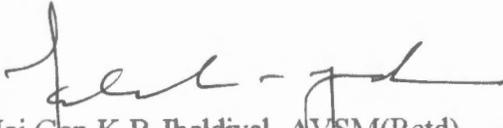

The committee suggested that the recommended selected papers should be reviewed by IETE Honorary Editors and only then published in the special issue of IETE Technical Review.

ITEM-8 ADDITIONAL POINTS

- a) After due deliberations the Committee recommended induction of a Data Entry Operator cum Steno typist for undertaking e-processing of articles and follow up action.

- b) Committee also recommended filling up the existing vacancy of Library Attendant on regular basis since this being a responsible job cannot be assigned to casual / contractual person.

The meeting ended with a vote of thanks to the chair.
