Contd.P.2

2.3 Proposed Special Issues of IETE Technical Review

- Special issue on 'Nanotechnology Education – A Paradigm Shift' by Dr S Ahmad. Managing Editor informed the Publications Committee that Dr Ahmad will be sending the contents, which he would like to cover in the issue shortly and the same will be put up to the Publications Committee for consideration.
- The committee recommended the Special issue on 'Spoken Language Processing' by Dr S S Agrawal for publication.
- Special issue on 'Atmospheric and weather Radars' by Prof D Narayana Rao. Managing Editor informed the committee that Prof Narayana Rao has not sent details of the topics that he intends to include in the issue even after repeated requests. The committee recommended that the special issue may be dropped.

The committee recommended that some more issues on the focused subjects like Defence Electronics, Disaster Management etc. should also be considered for publication.

ITEM-3 THE PUBLICATIONS COMMITTEE DISCUSSED THE FOLLOWING POINTS WITH THE PERMISSION OF THE CHAIR

- The committee recommended that the industries should be approached to advertise their products and services in IETE Technical Review so that the additional revenue is generated.
- The committee recommended inclusion of short readable articles and improvement in the get-up of the IETE Technical Review.
- The committee recommended payment of remuneration to the reviewers of articles to be published in IETE Journals.
- The committee recommended that the papers presented in the Mid-Term Symposium should be reviewed and published in a special of IETE Technical Review, if found suitable.

The meeting ended with a vote of thanks to the Chair.
