Promotional prices may change due to exchange rates. Promotions are valid for individual customers only. Booksellers, book distributors, and institutions such as libraries and corporations please visit springernature.com/contact-us. Promotions do not work in combination with other discounts or gift cards.

The IETE's 1st International Conference on Smart Mobility Systems (ICSMS 2025) was successfully organized by The Institution of Electronics and Telecommunication Engineers (IETE) at its New Delhi Headquarter during 22 and 26–27 April 2025. The conference witnessed an overwhelming response, with over 311 paper submissions from researchers and professionals worldwide. Following a rigorous peer-review process, 33 high-quality papers were presented and published in the book series: Lecture Notes in Networks and Systems (LNNS, volume 1669)

(<https://link.springer.com/book/10.1007/978-981-95-3156-1>) of the Springer Natures, reflecting the conference's strong academic standards and its contribution to advancing research in smart mobility systems. Thanks to IETE HQ for providing such platform to organize ICSMS 2025. Special thanks to team from IETE Kolkata who worked hard during last one and half year for successful publication of the proceedings.
